

## THE ALBERTA CONFERENCE OF MENNONITE BRETHREN CHURCHES

*It was great to see everyone who was able to make it to our Convention this year. We were moved by stories of how God is working throughout Alberta to see people transformed by the good news of Jesus Christ. We were also inspired and challenged by the teaching about prayer and hearing God at our Leaders Day on Friday.*

*Check out the links below for some of the highlights of our Leaders Day and convention, as well as access to several inspiring 15 minute TED talks that were presented during our Leaders Day.*

### Open Letter From Camp Evergreen

Hello,

I am writing this letter to the current generation, both young and old, those who have been positively impacted in some way by the ministry of Camp Evergreen.

My name is Andrew Baerg and I am currently chair of the board at Camp Evergreen.

Camp Evergreen was founded in 1963 by a generation who saw a need - to raise up disciples of Jesus among our youth across Alberta. It was expanded in the 1980s by a generation who wanted to see the camp reach even more Alberta children with the Gospel of Christ.

It is now our turn, this current generation, to ensure Camp Evergreen thrives at making disciples of Jesus among our youth, now and for the next generation, and to expand the ministry once again.

I am inviting anyone who wants to learn more about the vision, or has a desire to see our generation step up and own this responsibility, to attend a meet-up in Calgary next Wednesday, May 18, at 8pm. Location TBA. Please RSVP to [andrew.baerg@gmail.com](mailto:andrew.baerg@gmail.com) so that I can arrange a suitable location.

Please forward this letter to as many of your friends and family as possible. Do you know someone who was a staff member? a grandparent of a camper? This is an open letter and can be posted on facebook or anywhere on the internet. I need your help to spread the word. You can link to this letter at <http://baerg.ca/open-letter-friends-camp-evergreen-may-12-2016.html>

I would like to lead meet-ups in other locations across Alberta, please let me know if you can gather a group in your town or city. I am also available for one-on-one meetings.

Past generations have proven that we can do this if we do it together!

In Christ,

Andrew Baerg
